

Thinking about moving?

Don't miss this opportunity to change your address and your quality of life.

When it comes to quality housing, it's about 3 things: neighborhood, neighborhood, neighborhood. The HACC's Community Choice Program helps families with vouchers move to *Opportunity Areas*, some of the top performing neighborhoods in suburban Cook County. The program's sole purpose is to help families like yours use your voucher as a means to improve your quality of life, not just to help you pay your rent.

Program Benefits

Families with vouchers who participate in the program are assigned a housing counselor who assists them before, during and after the move to an *Opportunity Area*. Other program benefits include:

- Personalized action plan
- Housing search assistance
- Referrals to available units
- Transportation to view units
- Resource materials
- Access to your credit report
- Workshops on landlord/tenant rights/responsibilities, financial literacy and more
- Security deposit assistance up to \$1000 for qualified participants of the Community Choice Program

It's your move. Seize the opportunity.

Contact the Mobility Team at 312.542.4703 or ccp@thehacc.org to get started.
