

IMPORTANT INFORMATION CONCERNING THE HOUSING CHOICE VOUCHER PROGRAM

The Housing Authority of Cook County is facing a potential funding shortfall. In order to continue serving all our current HCV participants, we must implement cost saving measures effective May 1, 2025. If you were a participant or landlord in 2017, these cost saving measures are very similar to those implemented in 2017. We understand the impact this will have on families, but the cost saving measures must be implemented to continue serving all our families. **Click on the links below to learn about all the cost saving measures.**
